

The Boathouse at Harborside Marina & Yacht Sales

Indoor Storage, Service/Maintenance, Parts, Slips, & More...

The Boathouse at Harborside Marina & Yacht Sales is ideally situated in a weather protected area adjacent to Hammonasset State Park, the largest shoreline park in CT. Take a 20-minute scenic journey through the channel to reach Long Island Sound. Our location offers unmatched protection from hurricanes, wind, and major storms and is surrounded by some of the most beautiful natural habitats in the area.

Our Boathouse has 120 Indoor racks that can accommodate vessels up to 28 feet (indoor) and up to 30' (outdoor rack) for summer quick launch. Boats are stored in a protected building and launched on demand with an hour's notice. Return the boat and hangout in the clubhouse & pool while your boat is put away. We will also be offering Indoor winter storage in our racks (up to 28') as well as boats 30'-50' on the floor.

PLEASE BE AWARE.

21 of the 120 Indoor racks are declared and are part of the Clinton Yacht Haven Dockominium and are the only ones that have rights to use the Association facilities like the Clubhouse and the Pool. The other 99 Racks are owned by HBM and do NOT have rights to these facilities. The owner is collecting rent from those 99 racks but there is no current accounting showing they are paying CYH any money to allow their rack renters to use OUR facilities.
